OLIVE OIL AND VINEGAR

Bottled in Spain, our STAR brand olive oils and vinegars combine Old World authenticity with state-of-the-art efficiency and product safety. The result? Consistent quality and flavor, bottle after bottle, case after case. For over 100 years, STAR olive oils have distinguished themselves throughout our product line, from the robust flavor of our extra virgin to the light mildness of originale and extra light. Likewise, our balsamic and red wine vinegars – sourced from Italy and Spain – give sauces, soups and vegetables an unparalleled zest. There’s no substitute for authenticity. No wonder Borges and our STAR brand olive oils and vinegars continue to lead the industry.
